Tel. 631-267-8500 www.reformclubinn.com

"High-end hostelry continues its march east down Montauk Highway, glamming up everything in its path. Sure you've got your design-geek-chic hotels out East, and you've got art minded citizenry, and you've got your pricey pads; but occasionally all of these these things can come together. Such is the Reform Club, a complete re-envisioning of a country inn in Amagansett. The seven suites start at \$680 a night in-season, and the three "cottages" (in name only—the place is decked out as if by a MoMa Design Store-obsessive on a meth binge) start much higher. The grounds are landscaped in an English Garden style fit for Madonna on horseback, and the mod art-strewn white walls and dark pine floors throughout are still low-key enough to jibe
